

## **University of Michigan Vaccination Policy - Ann Arbor/Marygrove Michigan Housing**

**Updated: 03-26-2024**

All U-M students residing in Michigan Housing on the Ann Arbor and Marygrove campuses are required to submit documentation showing whether or not they are vaccinated against the below six (6) diseases.

U-M students who are not vaccinated against these diseases must still submit documentation and may be asked to attest that they are not vaccinated and understand they may be subject to additional public health protocols should there be a public health need.

- COVID-19
- Measles, mumps, and rubella (MMR)
- Meningococcal (MenACWY)
- Polio
- Tetanus, diphtheria, and pertussis (Tdap)
- Varicella (chickenpox)

The requirements in this policy are in addition to other vaccination requirements that may be applicable to faculty, staff, and students by their school, college, unit or third-party partners.

Please see the [U-M Health Response Website](#) for additional information, including FAQs.

### **Accountability and Violations**

Individuals not in compliance with this policy may be subject to the following: inability to participate in University activities; administrative consequences; accountability actions; disease testing; and/or disciplinary procedures.
